Peet Nel
Founder and CEO of
Nels Commodities

Nels Commodities Pty Ltd stands as a beacon of excellence in the realm of commodity trading, distinguished by its unwavering commitment to integrity, innovation, and customer-centricity.

Founded by Peet Nel, a seasoned trader with over 15 years of experience in the industry, our company embodies a legacy of expertise, professionalism, and entrepreneurial spirit that fuels our relentless pursuit of excellence.

Our Vision

At Nels Commodities, our vision is to redefine the landscape of commodity trading by leveraging our deep-rooted industry insights and strategic partnerships that deliver value to our clients and stakeholders. We aspire to be recognized as a trusted advisor and preferred partner in the glocal commodities market, renowned for our integrity, transparency, and commitment to sustainable business practices.

Our Mission

Our mission is to empower businesses, communities, and economies through the responsible sourcing, trading, and distribution of high-quality commodities that drive growth, prosperity, and social impact.

NELS COMMODITIES

Our Values

Integrity: We conduct our business with the highest ethical standards, honesty, and transparency, earning the trust and respect of our clients, partners, and stakeholders.

Excellence: We are committed to excellence in everything we do, striving for continuous improvement, innovation, and excellence in service delivery, operational efficiency, and customer satisfaction.

Responsibility: We embrace our responsibility as corporate citizens to promote environmental sustainability, social equity, and economic development in the communities where we operate, contributing to positive change and lasting impact.

Collaboration: We believe in the power of collaboration, teamwork, and diversity to drive innovation, foster creativity, and achieve shared goals, harnessing the collective strengths and talents of our people to overcome challenges and seize opportunities.

Customer Focus: We place our customers at the center of everything we do, listening attentively to their needs, understanding their objectives, and delivering tailored solutions that exceed expectations and create long-term value

Soft Commodities

Soft CommoditiesIn the domain of soft commodities, Nels Commodities stands as a leading procurer and distributor, specializing in products that are not only abundant in Southern Africa but also hold significant economic value on both regional and global scales. With a keen focus on sustainability, quality, and reliability, we are dedicated to delivering soft commodities that exceed expectations and drive growth in diverse industries.

At Nels Commodities, we recognize the intrinsic value of Southern African soft commodities and the pivotal role they play in sustaining livelihoods, driving economic growth, and fostering global trade partnerships. With a steadfast commitment to excellence and innovation, we strive to elevate the profile of Southern African soft commodities on the world stage, forging enduring connections and shaping a brighter future for generations to come.

Hard Commodities

Nels Commodities Pty Ltd takes pride in its expertise and proficiency in the procurement, trading, and distribution of hard commodities, which constitute a cornerstone of Southern Africa's economic landscape. With a keen focus on sustainability, responsible sourcing, and value creation, we are committed to delivering hard commodities of the highest quality, reliability, and integrity to our esteemed clientele across the globe.

Southern Africa is endowed with a wealth of natural resources, including an array of hard commodities that are coveted for their intrinsic value, durability, and utility across diverse industries. At Nels Commodities, we leverage our deep-rooted industry knowledge and strategic partnerships to facilitate the seamless acquisition and trade of the following hard commodities:

Logistics Solutions

- **Freight Forwarding:** We handle the intricate process of freight forwarding, managing the transportation of commodities from origin to destination with precision and reliability.

- **Customs Clearance:** Our team is well versed in customs clearance, facilitating the smooth passage of commodities through customs checkpoints while ensuring compliance with local regulations and documentation requirements.

- **Warehousing:** Our warehousing partners' facilities provide secure storage and inventory management solutions for commodities of all types and sizes. From perishable goods to bulk commodities, we offer flexible warehousing options tailored to the specific needs.

- **Transport Management:** We leverage advanced logistics technologies and industry best practices to streamline transport management processes, coordinating the movement of commodities with precision and efficiency.

- **Cross-Border Solutions across Sub-Saharan Africa:** Navigating cross-border logistics in Sub-Saharan Africa requires specialized knowledge and expertise. We offer customized cross-border solutions that facilitate seamless trade and transportation across borders, ensuring compliance with regulatory requirements and minimizing delays.
